

## Declaration of decontamination for returned expansion joints

Due to legal regulations and to protect our employees and operating facilities, we require a fully completed and signed declaration of decontamination. **This declaration of decontamination must be clearly visible on the outside of the packaging of the return delivery** and sent in advance by e-mail including a safety data sheet to [wareneingang@willbrandt.de](mailto:wareneingang@willbrandt.de). Please understand that return deliveries without a declaration of decontamination cannot be processed until this has been received.
